Re: Acceptance of APBA Memberships or 1-Day Memberships

The USWRA will honor current 2004 APBA memberships at only DSM and Great Lakes Watercross Tour Events until they expire in 2005. Once they expire, riders will be asked to purchase a USWRA membership.

If a rider renews in 2005 as an APBA member, the rider presenting a 2005 APBA membership at a USWRA event will be asked to purchase a USWRA membership in order to participate at DSM and Great Lakes Watercross Tour Events.

All other USWRA promoted events will require a current USWRA membership.

USWRA 1-Day memberships will be valid for the Beginner class only. The 1-Day membership provision may be used a total of two times by one individual. After such time, the Beginner rider will be asked to purchase a full USWRA membership.

All other class participants will be required to have a current full USWRA membership.
